

# **PROPOSAL**

**"ABSOLUTE SHIKHAR"** Means reaching the Ultimate Mountain Peak in your career and Education through our commitment to guide and crown you with the best-suited career options and Holistic development.

**Career planning and analysis:** We believe in strong and compassionate relations to make you aware of all the careers that best fit your personality and interests with quality service.

**About the Counsellor:** Shhikhaa Ttiwari is in her Final year of PhD in Education Psychology. Mrs Shhikhaa Ttiwari is UGC NET qualified and pursuing a PhD in Education Psychology/Philosophy. She is an MEd, MCA, graduate, certified career counsellor, Parent counsellor( Including CWSN) , and life coach. She has certificates in Career Counselling and Counselling for students and is also a life member of the **Counsellors Council of India**, a member of the **Indian Academy of Applied Psychology** and **The Asia Pacific Career Development Association (APCDA is a non-profit association incorporated for educational purposes in the state of Maryland, USA)**. She has around 15 years of teaching and administrative experience in the education

sector and 8 years of experience in Counselling/Career Counselling.

Her Vision is to be fully involved with younger students for their all-round development, progressive education and imparting new skills. Education means sustainable development for children and society, but it's disturbing and heartening to realize that especially in India children are not aware of the right career education path.
